

A light blue silhouette map of the Americas, including North and South America, is positioned in the background of the slide.

Informe de Presidencia

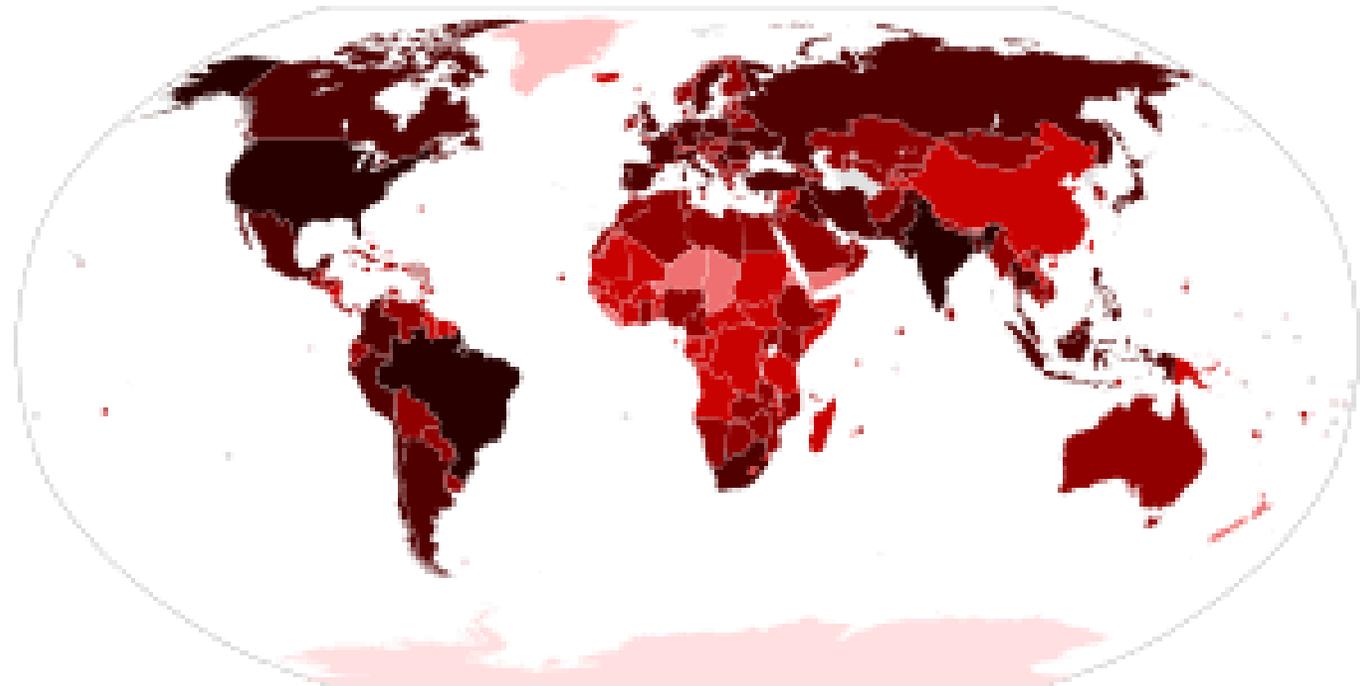

2020 – 2021

Dr. Eduardo Savio

The cover of the report "Informe COVID-19 CEPAL-OPS" features a blue background with a close-up of hands being washed with soap. The text "OPS" is prominently displayed in white, with "COVID-19 RESPUESTA" to its right. Below this, "Informe COVID-19 CEPAL-OPS" is written in white on a dark blue rectangular background. At the bottom, a yellow banner contains the title "La prolongación de la crisis sanitaria y su impacto en la salud, la economía y el desarrollo social" in dark blue text. Logos for OPS, CEPAL, and the United Nations are visible in the top left corner.

WORLD ANTIMICROBIAL AWARENESS WEEK

18-24 November

"Surveillance of antimicrobial use is a fundamental pillar in the fight against antimicrobial resistance, making it possible to relate exposure to antimicrobials to the development of resistance, to identify and provide early data on problems and changes in exposure so that we can carry out interventions, to follow-up interventions and, finally, to sensitise health professionals about the issues of AMR and how it affects the use of antimicrobials."

EDUARDO SAVIO
FIP AMR Commission
